EXPERIENCE

Web Developer Intern | *House of Praise Mississauga, ON* | July 2023 – September 2023

- Designed, built, and deployed a secure internal intranet for 2,000+ users using **HTML, CSS, JavaScript, and SQL** within a **3-month development cycle**.
- Integrated **Git/GitHub** for version control and collaborated with the IT team through **agile sprints** to ensure timely feature delivery.
- Assisted with mobile app maintenance using **React Native** and **Firebase**, improving load time and user engagement by **30%**.
- Troubleshoot backend and database issues, applying debugging tools and **REST API** testing to improve system performance and reliability.

Operations Officer Intern | *Royal Bank of Canada (RBC)* | *Remote* | May 2025 – August 2025

- Processed large volumes of client requests with 98%+ accuracy, ensuring compliance and service standards.
- Leveraged RBC's operations systems to review, validate, and troubleshoot client requests; escalated complex technical issues appropriately.
- Reduced processing time by 20%, improving efficiency and contributing to a 15% improvement in client satisfaction scores.

Customer Service Representative | *Well Wise Home Health & Wellness* | *Cambridge, ON* | June 2024 – Present

- Delivered timely solutions to 100+ customer inquiries and complaints weekly, resolving issues to increase customer satisfaction.
- Ensured accurate transaction and inventory processing, enhancing data accuracy and operational transparency.
- Collaborated with advisory teams to provide insights that supported strategic improvements, raising CSAT scores by 15%.

VOLUNTEER EXPERIENCE

Vice President of Marketing - *Virtual Reality Laurier* | *January 2025- Present*

- Led cross-disciplinary teams to plan Laurier's first VR hackathon (2026), promoting innovation and collaboration.
- Increased club engagement by 60% through strategic digital campaigns and event outreach.

Marketing Coordinator - Laurier Black Student Association | **September 2023-Present**

- Created and managed data-driven marketing campaigns, increasing student engagement across digital platforms.
- Collaborated with executive teams to promote inclusive events and cultural initiatives across campus.

Technical Assistant - House of Praise **September 2022 – Present**

- Provided live technical support for events with 1,000+ attendees, ensuring system reliability and performance under pressure.
- Trained new volunteers in troubleshooting and equipment operations, fostering teamwork and leadership.
